

SUPPORTING SUCCESSFUL WHĀNAU

Expression of Interest

Collective Impact for Whānau

Do you have a new & innovative idea that will support whānau to be successful? Will the idea achieve large-scale social change? Are you willing to work with others to achieve it?

If you answered yes to all of the above then Collective Impact for Whānau could be for you.

What is Collective Impact for Whānau?

Traditional methods for solving social problems aren't working. Too many organisations are working in isolation from one another. Collective Impact for Whānau brings people together to achieve social change.

Te Pou Matakana would like to work with Whānau Ora Partners (groups, organisations or professionals committed to supporting successful whānau) to help them design and deliver initiatives that meet the needs of whānau.

Where can I find more information?

Please visit

www.tepoumatakana.com

for more information on the EOI (Expression of Interest), including the details for the regional roadshows.

All Expressions of Interest must be received by 12pm, Thursday 6 November 2014

Te Pou Matakana is the Whānau Ora Commissioning Agency for the North Island. We work alongside whānau to understand what they need to be successful and work with Whānau Ora Partners to meet those whānau needs.
